HIGHLIGHTING™
LET IT GLOW

FROM MAKEUP ARTIST TO...

MAKEUP AND LIGHT TO REVEAL BEAUTY

Makeup is part of daily routine to beautify every faces. Makeup artists have always been playing with light to reveal beauty... with famous techniques like the contouring, the strobing and more recently with the **HIGHLIGHTING**.

HIGHLIGHTING, A MAKEUP ARTIST TECHNIQUE TO ENHANCE AND SCULPT THE STRUCTURE OF THE FACE

This technique brings light to specific zones, in order to recreate **face shape illusion**. If makeup is an important step in women daily routine, it takes time, requires specific skills and needs to be done every morning.

WHAT ABOUT A SOLUTION TO REVEAL A
GLOWY AND LUMINOUS FACE, WITHOUT
MAKEUP?

MEDICAL HIGHLIGHTING™

ALL YOU NEED IS LIGHT

The light has always been a secret of beauty. Some strategic zones of the face need to be enlightened, in order to enhance the facial features.

FACE SCULPTURE BY PLAYING WITH LIGHT

Laboratoires FILLMED, with more 40 years of expertise in aesthetic medicine get inspired by makeup artist techniques to create a luminous new protocol.

With injections of hyaluronic acid, it is possible to play with light, by bringing a few volume in specific zones of the face.

The doctor becomes a real artist, sculpting with the syringe these targeted zones and making them catching the light just like with a highlighter but with a long-lasting effect.⁽¹⁾

MEDICAL HIGHLIGHTING™

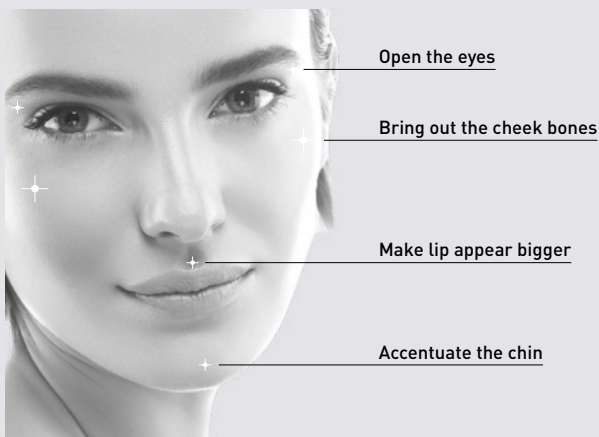

HOW TO CAPTURE LIGHT WITH A FILLER?

ART FILLER® UNIVERSAL is a product recognized by doctors. It is formulated with hyaluronic acid, a component that is naturally found in our skin. Once injected, it is capable to lightly sculpt the face. It gives long-lasting⁽¹⁾ but not permanent results. ART FILLER® UNIVERSAL also contains lidocaine, a local anaesthetic to improve comfort during injection.

THE TARGETED ZONES TO INJECT ARE IDENTICAL TO THE ONES IN THE MAKEUP HIGHLIGHTING TECHNIQUE.

Strategic zones which need to be sculpted to catch the light.

Open the eyes

Bring out the cheek bones

Make lip appear bigger

Accentuate the chin
